

WHAT IS THE Notre Dame HSA?

Six years ago, we established the Home and School Association of Notre Dame. The HSA works much like a PTA. The dues for the 2016-2017 school year are \$35. You will find an HSA Form in this binder.

The HSA holds 2 large fundraisers each year – the Carnival in the fall and the Spring Show in the spring. Your dues plus the money we raise from these 2 events, provides added support to the teachers and staff. Each year, the HSA provides flu shots to all of the faculty and staff as well as lunch and small gifts during Teacher Appreciation Day in May.

The HSA also provides volunteers for these and other events throughout the school year. This is a great way to meet other parents and it provides an opportunity to come together as a community and support each other as we navigate the waters of raising children with special needs. We will be using Sign Up Genius to solicit volunteers for various events. This is a great way to ensure that you get in your 40 volunteer hours for the year.

Your involvement is an essential part of the success of the HSA. Our goal is 100% participation. The percentage of HSA members vs. enrollment is information that is used when the school applies for grants.
